Get Covered Illinois

2027 Provider Directory

Get Covered Illinois has updated the provider directory for the 2027 plan year to make finding the best plan easier.

What is the **provider directory**?

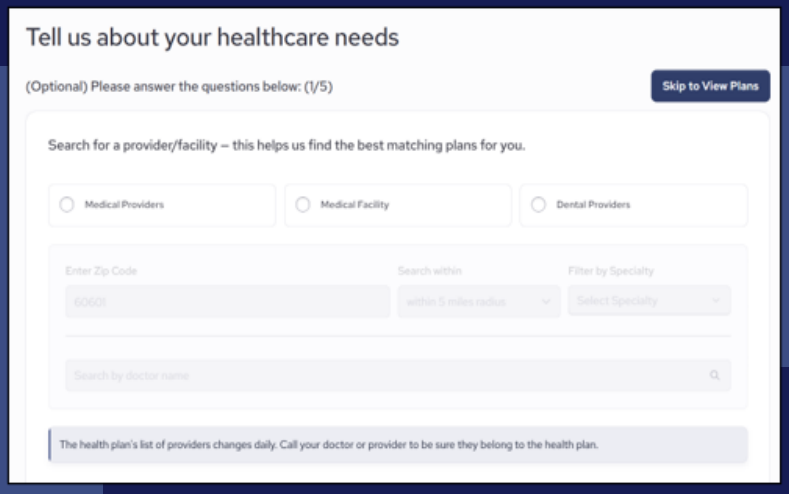

The provider directory is a search tool that allows customers to search for a health care provider or facility and find plans that include those providers.

Looking for a provider?

Visit **GetCoveredIllinois.gov**
Select **Enroll**
Select **Browse for health & dental plans**
Enter a few details about your household
Continue to **search for a provider**

What's new in 2027?

- ✓ Updated interface for **better user experience**
- ✓ **Select and search** up to 12 providers and facilities
- ✓ **Compare provider and plan information** in one place
- ✓ **Plan information** now includes all provider and facility specialties
- ✓ Providers with multiple locations are now **grouped together**
