

Life's complicated enough.

We can help with the health insurance part.

Get Covered Illinois is the state's official health insurance marketplace – a one-stop shop to compare and enroll in health insurance plans.

Open enrollment starts November 1

When?	Window shopping: October 27 - October 31 Open enrollment: November 1 - January 15
Who?	Middle- and working-class Illinoisans who do not have affordable health insurance through their job or the government.
How?	Enroll online at GetCoveredIllinois.gov , or with free local help from certified brokers or navigators.

Get Covered Illinois offers:

- Health and dental insurance plan options at a variety of prices.
- Rates that won't ever rise due to pre-existing conditions.
- The only place to reduce the cost of private health insurance through premium tax credits.
- Free customer service at 1-866-311-1119 (TTY: 711).
- Live free and local help from certified brokers and navigators online or by phone.

Here to help.

Get Covered Illinois provides quick price and plan comparisons, live customer service, and links to certified brokers and navigators in your community.
