

Now is the time to get covered.

Compare health insurance plans and prices in one place and enroll in coverage that fits your needs through the state's official health insurance marketplace, Get Covered Illinois.

→ Looking for health insurance?

If you do not have affordable health insurance through your job or the government, you can shop for and enroll in health insurance right now during open enrollment.

→ When can you sign up for health insurance?

For most people, open enrollment is the only time to get enrolled in coverage for the year.

Get Covered Illinois offers:

- Health and dental insurance plan options at a variety of prices.
- Rates that won't ever rise due to pre-existing conditions.
- The only place to reduce the cost of private health insurance through premium tax credits.
- Free customer service at 1-866-311-1119 (TTY: 711).
- Live free and local help from certified brokers and navigators online or by phone.

Open Enrollment

November 1 – January 15
