

Life's complicated enough.

We can help with the health insurance part. Get Covered Illinois is your one-stop shop for health coverage.

Health insurance plans at a variety of prices and coverage levels.

The *only* place to reduce the cost of private health insurance through premium tax credits.

Pre-existing conditions and risky professions will never increase your premium.

Free local help in communities around the state.

Live help online or by phone.

Visit GetCoveredIllinois.gov to compare plans and find savings.
